The Georgia Department of Education has named Spalding High School as a PBIS Operational School for the successful implementation of the Positive Behavior Intervention and Support program. PBIS is an evidence-based, data-driven framework proven to reduce disciplinary incidents, increase a school's sense of safety, and support improved academic outcomes. Since 2008, 350 Georgia schools have implemented the PBIS program. Of those 350, only 23 were recognized as a PBIS Operational School.
