

Vision:

The vision of Spalding High School is to ensure that all students are prepared to be contributors in a global society.

Mission:

The mission of Spalding High School is to build the foundation for our student community through meaningful relationships, relevant and engaging learning, and effective communication to graduate lifelong, confident learners who are college and career ready.

We Believe:

- Students learn when student learning is the priority for the school.
- Students learn when they are actively engaged in the learning process.
- Students learn when provided a safe and positive learning environment.
- Students learn when teachers provide instructional practices that incorporate a variety of data driven learning activities to accommodate all learning needs of students.
- Students learn when teachers, administrators, parents and the community share the responsibility for advancing the school's mission.
- Students learn when soft skills are an expectation in the school to prepare them for college and career.
