

# Silver Hands Service Letter Application

The Silver Hands Service Letter is an award for SERVICE. Recipients are awarded a Service Letter similar to Academic Letters and Athletic Letters. Students desiring a Silver Hands Service letter will provide proof of how they have volunteered their time in service to the community. Recipients are rewarded for their distinguished service to their school and community.

The completed Silver Hands application must be submitted no later than Friday, May 14, 2021, to the Guidance Office, or shared to Joseph Kelly's Google Drive ([joseph.kelly@gscs.org](mailto:joseph.kelly@gscs.org)). A panel of evaluators will review the applications and select recipients whose school and community service is deemed worthy of recognition and receipt of the Silver Hands Service Letter.

Candidates must complete the entire application. Responses to the questions must be typed using one page per question. Candidates must document a minimum of 50 hours for consideration and must be accumulated in the year of the application.
