

## ***What is a School-Parent Compact?***

A School-Parent Compact is a jointly developed agreement with parents. The compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and how they will work together as partners to make sure all students reach grade-level standards.

Effective compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies that parents can do at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## ***Jointly Developed***

Together, the parents, students and staff of Spalding High School developed this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year in the spring to review the compact and make changes based on student needs and school improvement goals. Parents are encouraged to attend and are welcome to contribute comments or suggestions at any time. Parents are also encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding current Title I programs and policies.

If you would like to volunteer, participate and/or give feedback, please contact Shannon Borum at 770-229-3775 at [shannon.borum@gscs.org](mailto:shannon.borum@gscs.org), or in person at 433 Wilson Road Griffin, Georgia, GA 30224.

## ***Activities to Build Partnerships***

There are many opportunities for parents to be involved at Spalding High. Please contact the school to learn more about the following activities:

- Open House
- Student Showcase Night
- Title I Meetings
- Parent Workshops
- School Council Meetings
- Financial Aid Night
- Parent-Teacher Conferences
- Co-Sponsored Events in the Community

## ***Communication about Student Learning***

Spalding High School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Open House
- Student Showcase
- Parent-teacher conferences to discuss your child's progress and review the progress of the school-parent compact
- Progress reports and report cards
- Updates on the school website
- Opportunities to volunteer and participate in their child's class and observe classroom activities
- Infinite Campus Parent Portal (Middle and High School)

***Do you have questions about your child's progress?  
Contact your child's teacher (770) 229-3775 or email.  
E-mail addresses are on the school website at

## *Our Goals for Student Achievement*

### *District Goals*

- Increase the percentage of students scoring proficient learner or distinguished learner in English language arts, math, science, and social studies by 5% as measured by the 2022 College and Career Ready Performance Index (CCRPI) content mastery district score for each level (elementary, middle and high).
- Increase the average school climate rating by 3% as measured by the average of the 2022 School Climate Star Rating

### *School Goals and Focus Areas*

- Increase the student achievement proficient and distinguished levels in Algebra 1, American Literature, U.S. History, and Biology on the Georgia Milestones Assessment by 5 percentage points

## *Teachers, Parents, and Students—Together for Success*

### *Teacher/School Responsibilities:*

- Provide resources to families online and in the monthly newsletter to help increase academic performance
- Provide parent workshops to share content resources with families
- Provide parent-teacher conferences to share student progress with parents
- Provide parents of their child's academic progress and how to support academic achievement at home

### *Family Responsibilities:*

- Practice with your student using the resources provided by the teachers
- Attend parent workshops to receive resources you can use at home with your student
- Use the resources from parent-teacher conference with your student at home
- Check grades on Infinite Campus with your student often to monitor student progress and use resources to support learning at home

### *Student Responsibilities:*

- Practice with a parent using the resources provided by your teachers
- Inform parents of workshops and use the resources given by the teachers at home with a family member
- Inform parents of parent-teacher conferences and use the resources to help with your academic progress
- With your parent, check your grades on Infinite Campus and use the resources to home
